COMPANY PROFILE

Redefining
Success
In
Style

Transcending the ordinary and reshaping the landscape of apparel sourcing, Instyle Source stands as a beacon of innovation in the global fashion industry. Based in the vibrant fashion hub of New York City, our company is at the forefront of driving change and setting new standards. With Bangladesh being the second-largest garments exporter in the world, our strategic alliances with key players such as Comfit Composite Knit Ltd., RobinTex Group, and Standard group empower us to secure the best prices for our buyers in the USA.

Maintaining an office in Bangladesh, we closely monitor manufacturing processes, providing real-time updates to our clients. Our dedicated team conducts physical inspections, ensuring quality and keeping our clients informed at every stage of production.

OUR VISION AND GOALS

MOHAMMADI GROUP

Instyle Source is proud to announce another significant connection, now with Mohammadi Group's Sweater Division. This collaboration not only enhances our diverse network but also contributes to the legacy of a conglomerate that stands tall not only in Bangladesh's fashion industry but also as a global player in the sweater fashion sector. Boasting an impressive annual turnover exceeding US\$ 100 million, Mohammadi Group has been a driving force since 1986, employing over 10,000 people and emerging as a symbol of success and reliability in the fashion industry.

Established in 2002, Mohammadi Group's Sweater Division has evolved into two fully fashion automatic knitting units. With a versatile production capability ranging from 1.5g to 16g, the division boasts an annual capacity exceeding 3.5 million units. This growth is a testament to the division's commitment to innovation and excellence.

Mohammadi Group prioritizes yarn sourcing, utilizing a combination of local and imported materials. With partnerships with renowned suppliers in Bangladesh, China, India, Indonesia, and Italy, the Sweater Division ensures the highest quality materials for its products.

The Sweater Division incorporates a wide range of yarn types, including 100% Cottons (Combed, Compact, BCI, Organic), 100% Acrylics (Cashmere, Mélange, Mohair-like, Chenille, Slub, and Roving), Blended Yarns (Cotton, Acrylics, Linen, and Wool blends), Viscose Nylon (Blended and Plated), and 100% Wool (Wool Blends from Cashmere, Merino, Angora, Mohair, Alpaca). The commitment extends to sustainable options like Organic and Recycle Yarn.
